## FUEL AND ENGINES

N. Tanks	2	Tank material	stainless steel
Tanks capacity	700 Lt	Fuel type	diesel
N. Engine	2	Engine Manufacturer	perkins
Engine model		Engine power	300
Engine hours	3680	Transmission	shaft line

## CONSTRUCTION MATERIAL

Hull	fiberglass
Coachroof	fiberglass
Deck	fiberglass

## WATER SYSTEM

N. Tanks	1	Tanks capacity	250 Lt
Tanks material	polyethylene	Water pump	yes
Watermaker	no	Water heater	yes

## ELECTRICAL SYSTEM

Voltage	12-220v	Battery charger	yes
N. Battery	3	Battery capacity	120 Ah
Generator	yes	Make	3,5 Kw
Inverter	no		

## INTERIOR DESCRIPTION

"Descending below deck, we immediately notice an elegant living area with glossy white furniture, where the impressive height stands out despite the sporty design. To starboard, there is a U-shaped sofa and a convertible table that can provide two additional berths. Above the sofa and kitchen, there are numerous storage cabinets, offering ample space for storing belongings.

On the port side, we find the WC compartment with a shower, and next to it, moving forward, a concealed kitchenette equipped with a sink, glass-ceramic cooktop, and refrigerator.

Finally, at the bow, in a separate room with a door, there is the owner's cabin with V-shaped beds, which, with a simple modification, can be converted into a double bed.

#### ARMAMENTS DESCRIPTION

Besenzoni hydraulic gangway	Generator	Air conditioning
Electric WC	2 refrigerators (1 external, 1 internal)	Glass-ceramic cooktop
Boiler	Complete cushioning	Winter cover (camper cover)

#### ELECTRONICS INSTRUMENTATION

Compass	GPS	Depth sounder
VHF	Autopilot	Rudder angle indicator
Flaps	Battery charger	Stereo

#### ADDITIONAL NOTES

The boat is in good condition and does not require any specific work. A light polishing of the hull sides and the usual full servicing are enough to make it ready to sail.
