Remote-controlled gangway

Tender winch

Teak deck, swim platform

Washing machine cabinet

220V power outlet

Wi-Fi electric windlass

Wi-Fi chain counter

Bow thruster

Watermaker

Other features

Additional information:

The second owner purchased the boat in 2008 with only 20 engine hours, meaning it has had only one real owner. Built in 2005 and registered in 2006. Always winterized and kept in dry storage. The boat is launched only for two months a year (July and August); for the rest of the year, it remains stored on land.

The hangar has been modified to accommodate a larger tender than originally designed, making the boat even more functional and aesthetically pleasing. Interior and exterior upholstery has been recently redone.

MOCHI CRAFT MOCHI 51 DOLPHIN EN.

FUEL AND ENGINES

N. Tanks	1	Tank material	stainless steel
Tanks capacity	2500 Lt	Fuel type	diesel
N. Engine	2	Engine Manufacturer	man
