DESCRIPTION

Reagal Commodore 3760 Discover this extraordinary vessel in excellent condition, meticulously maintained in every detail, combining elegance and functionality both inside and out. The expansive deck transforms into a versatile comfort area, divided into several zones to meet every need. In particular, the conveniently located forward passage, centrally positioned on the windshield, ensures maximum safety for those who wish to enjoy sunbathing even while underway. The extended platform, finished in high-quality seadeck, completes a design that truly stands out. Inside the engine room, the twin Volvo Penta engines with their 260-horsepower D4 gems are perfectly calibrated for the size of this sea pearl, offering exceptional performance and very efficient fuel consumption. Below deck, a spacious living area and two separate cabins—equipped with an air conditioning system combined with a 5 kW generator promise an elevated level of comfort, making every cruise a luxurious and rejuvenating experience.
